(If your count is under 200, your price per person will go up)

I have listed 2 sample menus for you to look over and compare. I have priced these menus for Hard Clear Plastic. If you prefer to use glassware instead, you will need to add the cost of renting the glassware/stainless to the per person prices listed below. Also, you will add to the menu price: a minimum 20% staff fee, tax & any rental costs (“+++”). If you want alcohol at your event you may bring this in for us to serve. Bartending fee: \$100.00 for Beer & Wine; \$125.00 if you add Champagne Toast or Signature Drink; Full Bar is \$150.00 ~ per bartender, per bar, for the evening. Full bar requires a minimum of 2 tenders at each bar.

WEDDING CAKES ~ our baker creates custom wedding and grooms cakes, examples are on our web site, or you may provide a picture for us to replicate. The average price is around \$3.00-\$6.00 pp for Bridal cakes and \$2.00-\$6.00 pp for Grooms cakes ~ depending on flavor choices, intricacy and details.
